DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. This action is supplemental to the last Office action, mailed September 29, 2004.
2. This action is responsive to Applicant's letter dated November 16, 2004 in which it was pointed out that the Office action of September 29, 2004 was incomplete, for lack of a citation of the Emerson reference on the PTO892 form. In view of the fact that Applicant's were not provided with the citation of a reference cited in a rejection, the period for response to that Office action has been restarted to expire three months from the date of this instant Office action.
3. A form PTO 892 is provided herewith, including the Emerson reference cited in the last Office action.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert Rose whose telephone number is (571) 272-4494. The examiner can normally be reached on Monday through Friday from 8:00 to 5:30. The examiner can also be reached on alternate Fridays from 8:00-5:30. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Hail, can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
